Objectives

Objective is statement highlighting the desired outcome. Write 2-3 life objectives for the nearest 6 months.

A. Be an exemplary student.

B. Improve financial situation

Goals	Strategies	Measures	
Set several SMART goals for each objective. SMART Goal is Specific, Measurable, Ambitious, Realistic and Timed.	Strategies are methods and approaches that will help achieve each goal. List a few for each goal.	Measures are divided into measures and actions. Measure is a numerical evaluation of each strategy, e.g. grade, amount, dollars, time, or even a date. Action is a commitment for a specific day. List one measure and one action for each strategy.
